

# Revision Session

---

Hello fellow speakers and presenters,

As part of your ongoing **public speaking** and **presentation** professional development we invite you to return to camp to attend a half-day interactive revision session.

This opportunity is designed as a 'check-in' and further up-skill. It will build on the skills you learnt attending the SpeakersTrainingCamp® and will allow you to reflect on how you have utilised those skills, refining them for future use.

Re-ignite that confidence. Bring your questions and share your challenges. This mini-course is like a teamtalk with your communication coach so you can keep bringing your A-game.

This course is only for graduates of the SpeakersTrainingCamp®.
